Aircraft Registration & Make/Model: N104CC, Piper, PA18-150

Accident Location: Raton, New Mexico

Accident Date: 09AUG2018 @ 1125 (CDT)

Subject: Memorandum for Record

In support of the NTSB Air Safety Accident Investigation involving accident airplane N104CC, the NTSB Investigator-in-charge (IIC) contacted the FAA Inspector-in-charge to request photographs of the accident site and airplane. The inspector was unable to provide photographs in support of this accident investigation.

The IIC contacted the pilot-in-command of N104CC, and he reported that the airplane sustained damage to the right wing, right aileron, and the right elevator.
