Eleazar Nepomuceno
Air Safety Investigator
General Aviation Accident Division

Date: 5/29/2019
Person Contacted: Patrick Obrien (FAA Inspector)
NTSB Accident Number: GAA19CA282

Narrative:

The following is a synopsis of the information provided by the inspector on this date:

On 5/2/2019, a member of the Edwards AFB Aero Club noticed the airplane was parked on the ramp with propeller damage. The pilot who last flew the airplane stated that he had no knowledge of the damage or how or when it occurred. Pilots who flew the airplane prior to the last pilot also reported they had no knowledge of the damage or when it occurred. Inspector O'Brien confirmed firewall and floorboard damage. The exact time, date and location of the event is still unknown.
