NARRATIVE HISTORY OF FLIGHT (Please type or print in ink)

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State time and point of departure, intended destination, and services obtained.

Flew from Fort Scott, KS, Airport to private grass strip N.W. of Pleasanton, KS. Landed for a brief time. Prepared to take off. Take off to the south and had quartering wind from southwest. When I reached flying speed & broke ground, a gust of wind pushed me to the left (or east) of the runway. My left wing struck a tree that spun me around causing me to hit other trees.

RECOMMENDATION (How could this accident/incident have been prevented?)

Operator/Owner Safety Recommendation

Removing some of the trees on the east side of runway.

ADDITIONAL INFORMATION (Please type or print in ink)

Use this space if additional space is needed for any answers.

I have landed on that grass strip many times in the past - without incident.
My flight hours are estimated because my log book was lost as a result of the accident.

I HEREBY CERTIFY THAT THE ABOVE INFORMATION IS COMPLETE AND ACCURATE TO THE BEST OF MY KNOWLEDGE
