

NTSB RECORD OF CONVERSATION

Kate Benhoff
Air Safety Investigator
General Aviation Accident Investigation Division, AS-20

Date: September 17, 2019
Person Contacted: Andy Smith (FAA Inspector)
NTSB Accident Number: GAA19CA535

The following is a summary of a telephone conversation with the above mentioned:

The inspector reported that the pilot was conducting a gender reveal flight for a friend. He added that there were 2 persons on board the 1 seat airplane. He reported that the pilot reported he had trimmed the airplane, flew at a low altitude, dumped 350 gallons of pink water, and the airplane immediately stalled.

In a follow up conversation on October 24, 2019:

The inspector reported that he thought he pilot moved to the right and the passenger was sitting on the edge of the seat on the left side.
