

Subject:

This email is in regards to an accident that occurred on 9/7/2012. The registration number of the accident aircraft is N550YS . I need to know when you may be available to attend an engine tear down of the engine from this aircraft. The serial number of the IO550A7B engine is 280445-R and was rebuilt and zero timed by Teledyne Continental motors on 12/06/1996.

Thank you,
