Dear Mr. Swick:

On Tuesday, yesterday, 7-22-14, I e mailed my accident report to you as requested.

Today, when I printed out a copy, I noted that I had failed to enter the date of this report, which was submitted 07-22-2014, and failed to provide the notation that I have signed it by typing my name in the signature line, as the last entry to this report.

I hereby certify that the above information is complete and accurate to the best of my knowledge
