Le Bourget, 08/11/2013

Mr Jim Struhsaker
NTSB - USA

cc@ntsb.gov

O/Ref: 771 / BEA / INV

Subject: **Appointment of an accredited representative and technical advisors
Accident to AS350B3 / N985EW on 29/10/2013 at Kalla-Kona, USA.**

Dear Sir

Thank you for the notification that you sent to the BEA concerning the
aforementioned accident. In accordance with the provisions of Annex 13, we
have appointed as accredited representative:

- **Arnaud TOUPET**, BEA investigator,

He will be assisted by the following technical advisor(s) from Eurocopter and
Turbomeca:

- Michel Martin, safety investigator, Eurocopter
- Seth Buttner and Lindsay Cunningham, safety investigators, Eurocopter
USA
- Jacques Marquié, safety investigator, Turbomeca.
- Bryan Larimore, safety investigator, Turbomeca USA

Our representative does not plan to travel to the site of the accident but remains
at your disposal for any assistance you may require.
Our technical advisors remain at your disposal for on-site assistance if required.

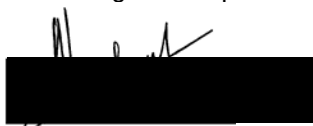

You may contact Arnaud Toupet by phone or e-mail:

The BEA remains at your disposal for any aircraft parts examination that might be
required.

Best regards,

François Hochart
Head of the Investigation department

per order of the Director of the BEA, Jean-Paul TROADEC
