Hi Michael,
Attached are the student records for Erin. The training docs and books below are required:
Training Syllabus & Work Book for Weight Shift Control Trike by Paul Hamilton
Weight Shift Control Aircraft Pilot's Handbook of Aeronautical Knowledge by Paul Hamilton
Weight Shift Control Aircraft Flying Handbook FAA-H-8083-5 by Paul Hamilton
Sport Pilot Weight Shift Control Practical Test Standards FAA-S-8081-29
A current FAR/AIM book
I believe that's about it. Let me know if you need anything else.
Best,
Henry

Subject: Erin Storm Flight Training? (WPR16FA086)

Hi Henry
Im still working on this accident and I realized that i don't have copies of any training information for the pilot, Ms Erin Storm

Can you please provide copies or originals (that would be returned) of the following:

- 1) Pacific Blue training records for Ms. Storm
- 2) Pacific Blue training curriculum (as implemented for Ms. Storm)
- 3) List of training documents/references recommended by Pacific Blue, and/or provided to Ms. Storm

I prefer electronic versions, but if you need to ship hardcopies and require assistance, please advise

Thank You
