When we first opened 3 years ago, I was a co-owner. Shortly after that, I sold my half to Rebecca De La Vega. She is a silent partner. She and Courtney were the legal corporate owners at the time of the accident.

Best,
Henry

OK Sorry now im confused, but it may be the way I asked the question.

My notes from the days immediately after the accident, in separate interviews w you and Courtney, indicated that you and she were the co –owners

Can you please clarify what your positions were on the day of the accident?

Thanks

Hi Michael,

Actually Courtney Brin and Rebecca De La Vega are the co-owners. I am the chief pilot.

Courtney does not have any FAA licenses.

Best,
Henry

Henry/Courtney

My initial notes indicated that Henry was the owner of PBA, and Courtney was a co-owner

I want to make certain I represent your company positions accurately; can one of you please advise as to your appropriate titles/functions?

Also, I don't see any FAA certificates for Ms. Brin; can one of you please advise/elaborate re any certificates and/or flight experience?

Thank You
