Dear Mr. Huhn:

We write in response to your email dated September 14, 2016, in which you requested follow up information regarding our letter dated September 13, 2016 providing various documents and information.

Regarding the information provided in responses to questions B, C, D and F, the information was provided by Mr. Brown's wife, Janet Brown.

In response to question C, it is unknown what his speed or flap settings, etc. were on August 30, 2016, or who would be able to provide that specific information.

The rental book records containing the requested information regarding copies of the dispatch of N985CA were in the aircraft at the time of the accident and destroyed in the fire.

Our office is currently unaware of the attorney, if any, hired by the family of the other passenger on board. The attorney hired by the owner of the aircraft, Venture Aviation Services, LLC, is Brian McQuaid at Maupin, Cox and LeGoy.
