Description of Damage to Aircraft and Other Property *(Use additional sheet if necessary)*

Aircraft caught fire and exploded on ground at airport fence.

NARRATIVE HISTORY OF FLIGHT *(Please type or print in ink)*

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

While enroute to return to Camarillo airport (KCMA), I was approaching Brackett Field airport (KPOC) for a fuel stop. The engine quit and lost all power. I was unsuccessful in restating the engine. I retracted flaps, feathered propeller and attempted to glide to KPOC. I was not able to make the runway and landed on fence at the airport perimeter. Because of fuel readings, my time enroute and the post impact fire, I do not believe the cause of the engine failure was fuel exhaustion.
