Hi Michael,

My apologies for not getting back to you earlier.

I have provided answers below:

Thank you.

-Frank

> received was, regarding the winds/weather at AVX?

>

1. ASOS via phone before the flight: 3-6kts, wind at 230 2. Departure gave me the same information above, 3.  
I got the ASOS inflight, same conditions above 4. Someone on AVX CTAF reported the same conditions above

> B) Do you recall how and/or when you got out of the airplane?

>

No. My first recollection, I was standing outside the aircraft after the crash.

> C) Do you recall the position/conditions of your and Ms. Bleckley's  
> seats after the crash?

>

No, but Ms. Bleckley was still seat-belted in when rescuers arrived.

> D) I presume that you were seated in the left seat but can you please  
> confirm/verify?

>

Yes. I was left seat, Ms Bleckley was right seat.
