

RECORD OF CONVERSATION

Chris Shaver
Air Safety Investigator
Western Pacific Region

Date: May 17, 2016
Person Contacted: Jocelyn McGregor (FAA FSDO Inspector)
NTSB Accident Number: WPR16LA109

Narrative:

During a telephone and email conversation, Ms. McGregor reported that she had inspected the accident airplane in the hangar at the North Las Vegas Airport. She stated that the following items were reviewed for mechanical operation:

- Manipulating the nose wheel (left and right direction) with weight on wheels, appears to correctly control the rudder direction properly.
- Examination of the brake assemblies (left and right) appear to be normal.
- There is a significant flat spot on the right main tire.
