Date: June 13, 2017
Person Contacted: Michael Lopez-Airport Attendent
NTSB Accident Number: WPR17FA118

I contacted Mr. Lopez by phone, who is an airport attendant at Banning Municipal Airport (BNG). He stated he had AWOS data at the airport about the time of the accident. Mr. Lopez made several failed attempts of sending an image of the data on his computer screen. Mr. Lopez, not familiar with the information on the screen, recited the information over the phone:

1800 09019G 26 10*
1820 08017G 23 10*
1840 07017G 22 10*

He stated that the information couldn't be downloaded from the machine, for unknown reasons and that he would just read off the information. An NTSB weather specialist also made contact with Mr. Lopez who was also unable to download the data.
