**Joshua D. Cawthra**  
**Senior Aviation Accident Investigator**  
**Western Pacific Region**

---

**Date: September 5, 2017**  
**Person Contacted: Tim Salan**  
**NTSB Accident Number: WPR17FA151**

---

### **Narrative:**

During a telephone conversation, Mr. Salan reported that his family, along with his father were casual users of marijuana. Mr. Salan said that his father had laid off using marijuana as much, and that cocaine was “not his [fathers] thing,” however he did know of previous instances that his father used the drug. Mr. Salan said that did not know when his father last used cocaine or marijuana but said it could have been the night before the accident, or possibly that morning. He further mentioned that he didn’t see his father for a few days prior to the accident.
