Josh,

Bell has no objections to you using the excerpt from the Bell Flight Manual (BHT-206B3-FM-1) for the limited use in the NTSB accident report public docket.

Regards,

GARY P HOWE
Air Safety Investigator | Bell

Gary,

I'd like to use the attached portion of the flight manual you provided, BHT-206B3-FM-1, page 3-8 within our public docket. If you could please reply with permission to do so, it would be much appreciated.

Josh
