Joshua D. Cawthra
Senior Aviation Accident Investigator
Western Pacific Region

Date: 3/26/18
Person Contacted: Karen Naik – Wife of the Flight Instructor
NTSB Accident Number: WPR18FA045

Narrative:

During a telephone conversation with Mrs. Naik, she reported that there were no abnormal or life changing events in her husband's life within the previous weeks before the accident. In addition, she stated that her husband had back issues, however, she was unsure of the extent. She added that she knew he took prescription Ibuprofen (800 mg or so), and couldn't remember if he had a prescription for Oxymorphone and Oxycodone.
