

RECORD OF PHONE CONVERSATION

Jackie Vanover
Aviation Accident Investigator
Western Pacific Region

Date: January 19, 2018
Person Contacted: Mr. Roy Bain (Pilot)
NTSB Accident Number: WPR18LA069

Narrative:

The following is a synopsis of the information provided by Mr. Bain in a telephone conversation.

The purpose of the flight was to go to Bear Lake. He stated that he “caught an up and down draft” going over the mountain. He added that the stall warning horn sounded as they were cresting the hill. He estimated that they were about 1,000 ft above the ground.

The pilot’s weight is 155 lbs.

According to the pilot there were no preimpact mechanical failures or malfunctions with the airframe or engine that would have precluded normal operation.
