

RECORD OF CONVERSATION

Joshua D. Cawthra
Senior Aviation Accident Investigator
Western Pacific Region

Date: July 19, 2018
Person Contacted: David Durbano
NTSB Accident Number: WPR18LA199

Narrative:

During a conversation with Mr. Durbano reported that the airplane had about 70 hours total time since new and that he usually hired the accident pilot to fly the airplane to various locations. About two weeks prior to the accident, he had the pilot fly the airplane from Thermal, California to Ogden. Mr. Durbano stated that the purpose of the accident flight was to relocate the airplane to his private ranch near Pinedale.
