

RECORD OF EMAIL

Albert P. Nixon
Senior Aviation Accident Investigator
Western Pacific Region

Date: August 29, 2019
Person Contacted: Dennis Garcia (FAA Front Line Manager)
NTSB Accident Number: WPR18LA207

Narrative:

On an email from Dennis Garcia, FAA Front Line Manager, the following is a summary of what he stated:

- A review of the accident airplane logbooks revealed that all appropriate Airworthiness Directives (ADs), had been complied with.
- There were no airplane write-ups for any fuel leaks or smells in the previous 20 hours of operation.
