Subject: N7300M Update

Good afternoon Andrew,

I was able to speak with Kole Pederson (Pilot) this afternoon about his accident involving N7300M near Grand Forks, ND on 8/21/18. As mentioned before, Kole was badly injured and is still in the hospital.

Kole told me that he does not remember the accident or anything leading up to it but will contact me if he regains any memory from that day.

Please let me know your thoughts on how you want to proceed.

Thanks,
Kelly
