Dear Michael,

A, Parent organization in Florida is:

SILVER EXPRESS CO dba FLYING ACADEMY (air agency certificate XVES209K) Part 61&141 approved pilot school

Principal address of business [REDACTED], Miami FL33186

B, President of the company is RADIM OLBRECHT

C, Manager of Miami base: PETR KRATOCHVIL, Manager of Corona base: VERONIKA MEDEOVA

D, At our Corona location we do offer: Flight training for PPL, IR, CPL, CFI under part 61, Rental and operation under part 91, Flying Academy Los Angeles is approved as Satellite base for training under Part 141 (satellite base of SILVER EXPRESS CO dba FLYING ACADEMY under ID: 1XVS). This approval for satellite base, was granted to us on 10/15/2018. Since approval of this satellite base we do not conduct any trainings under 141 in Corona. We are waiting for SEVIS approval for international students for this base. Local customers are receiving training under part 61.

E, Company is using SOP's and TCO's for 141 courses, student sign this during initial grounds. There is aircraft rental / training contracts which is signed with all customers. In addition customers are receiving welcome pack with basic information and procedures for the operations at the base (Corona/Miami). Veronika is not by the computer at this moment, she will send you copies of these documents once available.

Regards

Petr Kratochvil

Can you please provide the name and location of the 'parent' flying organization in Florida, as well as the owner's and managers' name(s) and contact info

What services does your facility in AJO offer?

Please advise whether you publish Flying Academy policies/procedures/guidance for rental pilots

If so, please advise me as to how pilots are provided that information, and ALSO provide me a copy of that guidance
