

AT APPROXIMATELY 3:40pm I
SAW A SMALL CESSNA PLANE GO
DOWN. THE PLANE CRASHED JUST
TRYING TO TAKE OFF JUST NORTH
OF THE RUNWAY. I DID NOT HEAR
ANY NOISES OF ANY KIND. LOOKING
AT THE PLANE BEFORE IT WENT
DOWN IT LOOKED LIKE IT NOSE
DIVERGED SIDEWAYS INTO THE GROUND.
THE PLANE SEEMED TO GO SIDEWAYS
AFTER TAKE OFF. IT WAS NOT VERY
HIGH BEFORE THE PLANE CRASHED.
