

RECORD OF CONVERSATION

Albert Nixon
Senior Aviation Accident Investigator
Western Pacific Region

Date: July 2, 2019
Person Contacted: Utah Department of Public Safety Deputy
NTSB Accident Number: WPR19FA182

Narrative:

During a conversation with a Utah Department of Public Safety Deputy, the following is a summary of what he stated:

- A friend of the pilot said he was familiar with the canyon area where the wreckage was located and had routinely flown there.
