

National Transportation Safety Board  
Attention: Mr. Tom Little (NTSB 11C)

[REDACTED]  
Federal Way, Washington  
98003

Reference Accident Number WRP19LA076

MFR E-MAG Part Number- P114C Serial Number- 1182  
Installed as right mag

MFR E-Mag Part Number P114C Serial Number 1174  
Installed as left mag

Tom,

Both mags were tested and found to function per the manufacturers operational requirements, both powered (12 VDC) and unpowered above 600 RPM. No faults were found. The magneto drive gears were removed for testing and are bagged separately.

All the best,
