Description of Damage to Aircraft and Other Property *(Use additional sheet if necessary)*

Photos previously sent to you.

NARRATIVE HISTORY OF FLIGHT *(Please type or print in ink)*

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

Flight left KSBA with my mother-in-law at about 5:15pm on 5-4 and landed at KRNO at about 7:15pm on runway 25. Upon landing the airplane left the runway at a 20 degree angle to the LEFT continued across gravel hitting a runway sign and crossing taxiway C then more gravel and another runway sign then runway 34R doing a very tight 360 to the RIGHT and stopping. All during that rollout I was on the right rudder pedal and then the airplane reacted to the right.

No injuries occurred.
