

SUMMARY OF FINDINGS

Tealeye Cornejo

Air Safety Investigator (Field)

Western Pacific Region

Date: 05/29/2019

Person Contacted: Eugene Hahn PDX FSDO **tel:** [REDACTED]

email: [REDACTED]

NTSB Accident Number: WPR19LA165

Narrative:

According to the Inspector Hahn, he attempted to contact the pilot, but the pilot's voicemail was full.

Another inspector was in the area and verified substantial damage to the tail of the airplane. The inspector further stated that one fuel tank was dry, and the other fuel tank had fuel in it.
