Mr. Smith,

I haven't been able to get a hold of you or the pilots (as a matter of fact, I don't have pilots' contact info at all), involved in the N955TC accident, so I am sending you the form that needs to be filled out. In order for the Board to complete the investigation, it is necessary that we obtain all the facts, conditions, and circumstances surrounding this event. Please complete the required Pilot/Operator Aircraft Accident Report Form (NTSB Form 6120.1) within **10 days after receiving it**, and return it to the NTSB. I have attached a copy of the form to this email. If you need more time, just please keep me in loop.

You can either send the form over the email or fax it to me. Thank you
