

RECORD OF CONVERSATION

Eleazar Nepomuceno
Aviation Accident Investigator
National Transportation Safety Board
Office of Aviation Safety – Western Pacific Region

Date: 03/9/2022
Person Contacted: Jeffrey Simmons (FAA Inspector Investigator In-Charge)
NTSB Accident Number: WPR19LA184

Narrative:

The following is a synopsis of the information provided by Inspector Simmons in a telephone conversation on this date:

Inspector Simmons reported that an onsite examination of the airplane on the day of the accident revealed that the primary flight controls were attached to its respective component. He further reported that observations of the engine did not reveal any catastrophic damages and added that fuel was present in the fuel tanks.
