

RECORD OF CONVERSATION

Albert P. Nixon
Senior Aviation Accident Investigator
Western Pacific Region

Date: April 30, 2020
Person Contacted: Scott Krantz (FAA POI)
NTSB Accident Number: WPR20CA069

Narrative:

During a conversation with Scott Krantz, the following is a summary of what he stated:

- He confirmed that the flight attendant had been diagnosed with a broken leg.
- The pilot's total times of 12,000 hours for the captain, and 14,700 hours for the first officer, were determined from their last medical examinations.
- He believed the captain was flying during the event.
