

SUMMARY OF FINDINGS

Tealeye Cornejo

Air Safety Investigator (Field)

Western Pacific Region

Date: February 10, 2020

Person Contacted: Abigail Cahoon

NTSB Accident Number: WPR20FA086

Narrative:

According to Inspector Cahoon, the pilot refueled at Harris Ranch on the day of the accident at 1656 Pacific daylight time. The airport provided the total cost of the fuel (110.72) at 5.49/per gallon. Which equated to approximately 20 gallons of fuel.
