Hi Jordan,

Still going to be awhile before I can get to this one to put together a draft factual. Thought I would get to it this month but ended up in the Dominican Republic on a 9-fatal Gulfstream accident.

Have all the parts from the engines that were sent to Austria been shipped back to their respective owners?

If so, can you supply me with the shipping information so I can enter the information in the case file.

Thank you and I hope you and your family had a Very, Merry, Christmas.

All my best,

Todd
