

RECORD OF CONVERSATION

Joshua D. Cawthra
Senior Aviation Accident Investigator
Western Pacific Region

Date: 6/9/2020
Person Contacted: Joe Vonesh
NTSB Accident Number: WPR20LA169

Narrative:

Mr. Vonesh reported that he did an owner assist annual on the accident airplane in 2020 and has provided advice to the pilot for oil leaks, general upkeep. He mentioned that the engine was “clean” and that the engine had good compression. He said that he never flown with the pilot, but had watched him fly around the area, and seemed to be a good pilot, confident. Additionally, Mr. Vonesh said that the day of the accident, hardly anyone was flying due to the weather.
