

RECORD OF CONVERSATION

Joshua D. Cawthra
Senior Aviation Accident Investigator
Western Pacific Region

Date: 6/9/2020
Person Contacted: Ryan Goss
NTSB Accident Number: WPR20LA169

Narrative:

During a telephone conversation, Mr. Goss reported that he helped the pilot's son put the pilot's car in the hangar. Mr. Goss said that while in the hangar, he did not see any logbooks for the airplane or pilot.

Mr. Goss stated that one of the passengers and her daughter were going to a hospital in the San Bernardino / Redlands area for a doctor appointment, and was his understanding they were driving down, returning about noon.

Mr. Goss added that review of security camera footage at the Big Bear Airport revealed that the pilot departed runway 8 at 0744.
