Inspector Instructions for OAS-30A (4-17)

I. Pilot Name: Must match pilot certificate, nick name in "quotes".

II. Company: Must match the company with the contract or ARA

III. Expiration Date: In accordance with procurement document. Not to exceed 26 months.

IV. Card Status: Check all appropriate boxes.

- Interagency - Check when a sign off was done in accordance with an interagency standard. If required indicate in remarks what sign off this applies to i.e. Water delivery-Interagency.
- DOI Only - Check this box when a sign off is limited to DOI only. If required Indicate in the remarks what sign off this applies to i.e. Vessel landings-DOI only.
- USFS Only - Check this box when a sign off is limited to USFS only. If required Indicate in the remarks what sign off this applies to i.e. Rappel-USFS only.
- Initial - Check this box when this the first time this pilot has been carded or if it is the first time this pilot on this specific contract.
- Renewal - Check this box when this is a renewal of previously demonstrated skills.
- Re-issue - Check this box if this is a re-issue of a previous card with no changes.
- Added Authorization - Check this box if this card has additional qualifications

V. Inspector Comments: Self explanatory

VI. Issued By: Signature must be actual or HSPD-12 generated.

VII. Make & Model: Use the the drop down list add or modify as required.

- PIC SIC - Indicate in the column PIC or SIC for the make and model.
- VFR - Initial this block if VFR operations are approved. Strike through block if not approved.
- IFR - Initial this block if IFR operations are approved. Strike through block if not approved.
- Autopilot - Initial this block if IFR with an autopilot in lieu of a SIC is approved. Strike through block if not approved.

VIII. Authorized Missions: Use the the drop down list, add or modify as required.

- Approved By - Use first and last initials. When issuing a card initial where appropriate and transfer all current authorizations using your initials.
- Date Expire - Provide month and year (i.e. 04/14 for April 2014) or NA
- Inspector Info Only - For each approved mission indicate the evaluation was done by the USFS or DOI by marking and the Make and Model the evaluation was completed in. This is not an indication of make and model approved for. If a mission is limited to a specific make and model indicate this in the inspector comments.
