Description of Damage to Aircraft and Other Property *(Use additional sheet if necessary)*

Aircraft was destroyed on impact then engulfed in a post crash fire, the post crash fire was within the vicinity of the Hills Fire that subsequently became part of the Hills Fire incident.

NARRATIVE HISTORY OF FLIGHT *(Please type or print in ink)*

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

The flight was involved in the Hills Fire firefighting effort and performing water drops near Coalinga California. The terrain at the accident sight was steep and rocky. Because of the post crash fire and the location within the Hills Fire Tempary Flight Restriction area we where not able to witness the wreckage, the information we did obtained was from Hills Fire personnel and the Fresno County Sheriff that most of the aircraft was lost in the post crash fire. Departure time was approximately 8:30 a.m. Pacific Time Zone on the 19th of August 2020 from the Coalinga Airport (C80) / CalFire Helibase.
