Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

Was set to fly from 21D (LAKE ELMO Airport) to KBIL for a refueling stop on my way out to visit a good friend in Oregon. planned to stop in McMinnville Or. Flight was conducted under IFR to Billings. Flight had no problems until arriving close to BIL when I began having problems with the Right Engine. Determined it was failing so began to shut it down. I don't remember almost anything after shutting down the engine.
