Andrew,

I believe aircraft serial numbers 30-628 thru 30-910 were built in 1965.

According to the Owner's Handbook (p/n 753-644), applicable to the 1963-1965 PA-30 Twin Comanche, the brakes were only on the left side rudder pedals. See the bottom of page 9 (Page 11 of the PDF) of the attached Owner's Handbook.

Let me know if you need anything else.

Best regards,

Jon
