Subject: WPR21LA003, Hawthorne Police Department-Incident Report,
Witness Statements-Correction

Contact: Henry Boger-Witness

Mr. Boger was contacted to confirm the statement that was given and transcribed by the Hawthorne Police Department, at Hangar 124, Jack Northop Field/Hawthorne Municipal Airport, Hawthorne, California on October 4, 2020, day of the accident, was correct.

Mr. Boger reported to me that his name was misspelled in the report, and a sentence in the report was incorrect and should read, "Henry pushed the steering to the [left] and banked harder to the right before flying into the drainage ditch."

Section of original statement from the Incident Report:

"Henry advised me that he watched Joseph take off, at which time Joseph's aircraft began banking to the right. Henry advised Joseph pushed the steering to the right and banked harder to the right before flying into the drainage ditch. I asked Henry to clarify where he observed Joseph's aircraft enter the drainage ditch and he advised me the aircraft flew between a large tree and a medium sized palm tree planted next to each other on the north side of 120 street. Henry advised the aircraft's height was just below the large tree."
