

RECORD OF CONVERSATION

Eleazar Nepomuceno
Air Safety Investigator
General Aviation Accident Division

Date: 10/26/2020
Person Contacted: Grant Cox (pilot)
NTSB Accident Number: WPR21LA016

Narrative:

The following is a synopsis of the information provided by the pilot in a telephone conversation on this date:

The pilot was on personal sight seeing flight. He did a low fly by about 50 ft above the ground and saw telephone box but didn't see any telephone wires extending out of it. He came back around and while on final approach, the airplane hit telephone wires. He flew the airplane to the ground, and shortly after touchdown, the airplane nosed over.

The pilot added that he was landing to the south with about 5 mph of wind from the south.

The pilot reported that he has about 200 hours total time, with 20 hours in the type and model.
