

Flight Plans

There are only 2 flight plans for this tail for the city pair at issue. Neither one of them were assigned a recall number in the ARINC Direct system. This means the flight plans were preliminary and were not saved in the system, printed, or referenced on the website or application at a later date.

These 2 plans correspond to the following 2 transaction records based on the computed times shown in the plans:

departure_date_time computed_time	tail_number	fp_name	departure_airport	arrival_airport
2021-02-04 2300	N823RC	KMYF	PHKO	2021-02-04 04:39:25+00
2021-02-04 2300	N823RC	KMYF	PHKO	2021-02-04 04:44:57+00
