

Memorandum for Record

Fabian Salazar
Air Safety Investigator
National Transportation Safety Board
Investigator in Charge

NTSB Accident Number: WPR21LA190
Aircraft Registration & Make/Model: Piper, PA-18
Accident Location: Coeur d' Alene, ID
Accident Date: 5/11/2021

Augustus Macy
Student Pilot

In a telephone interview on the day of the accident, Mr. Macy stated that he was landing the airplane. He said that one main wheel touched down and when the second one touched down, the airplane jerked to the left. He stated that he knew he was very confident he wasn't on the brakes.
