

RECORD OF E-MAIL CORRESPONDENCE

Eric M. Gutierrez
Air Safety Investigator
Western Pacific Region

Date: September 14, 2021
Person Contacted: Vernon Rockett (FAA)
NTSB Accident Number: WPR21LA323

Narrative:

The following is a synopsis of the information provided by Mr. Rockett in an e-mail correspondence.

While conducting the exam of N8029G, a Cessna 177RG, air was heard and felt coming from a leak in the nose landing gear up hydraulic flex line.
