

RECORD OF PHONE CONVERSATION

Eric M. Gutierrez
Air Safety Investigator
Western Pacific Region

Date: December 8, 2021
Person Contacted: Patrice D. Johnson (Witness)
NTSB Accident Number: WPR22FA054

Narrative:

The following is a synopsis of the information provided by Patrice Johnson in a telephone conversation.

While at her residence the evening of December 4, 2021, she heard a very low flying airplane, followed by the sound of the airplane impacting terrain. While the airplane was flying overhead, the engine noise was constant and did not sound like it was malfunctioning. Unsure where the airplane impacted terrain, she notified first responders of a possible plane crash.
