Hi Paul,

Thanks for your patience. Yes, we did find an account for Mr. Moynihan.

He did not file any flight plans through ForeFlight for N787NV, nor did he look at any static Weather Imagery prior to the flight.

He had not entered any routes into the app on the 19th, the most recent was from the 15th:

...

Date/Time (UTC) Updated Route String

2/15/2022 17:12:02 39.538/-119.916 KRNO 10500FT

In the days prior to the flight the following Airports were viewed in the app:

Best regards,
