

Fabian Salazar
Air Safety Investigator
Western Pacific Region

Date: March 7, 2023

Subject: WPR22FA151 / Record of Conversation

Contact: David Schroeder, Chief Pilot/Gem Air

In a telephone interview, the chief pilot stated that he had trained with the accident pilot about 12 times and had not observed the pilot having difficulties seeing over the instrument panel. He indicated that the seat adjusted to a height that allowed her to see without difficulty.
