Subject: WPR22FA151 / Memorandum for Record Pratt & Whitney Reply
regarding ADAS data.

In an email, dated July 19, 2023, the performance group chairman sent an email to the Air Safety Investigator for Pratt & Whitney. The email detailed numerous errors in the data when compared to the accident flight and concluded that none of the ADAS data corresponded with any of the known flights and so is not relevant to the accident.

In an email reply, dated August 7, 2023, the Aviation Safety Investigator for Pratt & Whitney Canada stated that the data, "**can be disregarded**" as they do not represent the event date."
