Hi Rich,
I did receive from Jhonathan Reyes the complete contact information for the right seat occupant in regard to the incident of November 15, 2021. Jhonathan states:

Regarding my friend. I have known him ever since 2013. I met him in Venezuela and he is a good friend to me and my family. He is also my youngest son's godfather. On November 13 2021 he called me saying he had been released by the ICE Tucson , Arizona (United States Immigration and customs enforcement) I told him I would purchased a ticket to Las Vegas and that he could stay in my hotel room since I was going to be in Vegas a few days and that we could see and visit Vegas. I hadn't seen him in about 6 months prior to that. On November 14, I told him to go with me to the airport. I was going to show him around and that he could see the airplane and such and he did. After the incident I purchased an airplane ticket for him to Orlando where he is staying at his family's house.

His name is Rodolfo Andres pallotta Valero
Phone number [REDACTED]
He was seating on the right seat
His address :

Please let me know how you would like to proceed. I am hopeful that this information will assist in keeping this matter 'in house' without the need for the involvement of law enforcement.

Thanks, Rich, for all your consideration in this matter!
