Email Report Instructions

The narrative and attachments from this email report may be used in other reports at the discretion of the IIC. This email, including attachments (if applicable), should also be placed in the public docket by the IIC.

Email Report

The Vehicle Recorder Division received the following electronic device: **Garmin SD Cards (qty 3), Serial Number NA**

The three memory cards are pictured in WPR22LA251_1.jpg. The cards were read out via a PC and forensic write blocker.

No flight data was present on the cards. Only chart database information was present. Furthermore, no CMC (Central Maintenance Computer) data was present.

No pertinent data was recovered from the cards.
