

Joshua Cawthra
Deputy Regional Chief
Office of Aviation Safety - Western Pacific Region

Date: June 4, 2024

Subject: WPR22FA253

The above referenced accident was initially a delayed launch due to the remote nature of the accident site. However, due to site accessibility restraints, the NTSB did not travel to the accident site. Therefore, the accident number was changed from WPR22FA253 to WPR22LA253.
